Professional Full Size Keyboard with Contoured Keys

Order Code: KYBAC260U-USB
Accuratus 260 - Full Layout Professional Keyboard with Contoured Touch Typing Keys

About

The 260 is a firm favourite due to it's stylish looks, durability and positive feedback keys. In a full size UK English layout with full height shaped keys on a contoured inclined base, the 260 provides hours of comfortable typing. The 260 offers full height keys which are contoured to shape your fingers, which also slope up towards the back of the keyboard offering excellent touch typing capabilities. Available in many language layouts, lowercase, high visibilty, USB or PS/2 interfaces and with or without a 2 port USB2.0 hub, we have every option covered.

Whether it be for home, office, school or elsewhere, you will not be disappointed with the Accuratus 260, the original and professional typing keyboard.

Specifications

- USB connection (PS/2 also available)
- UK English key layout (other Language variants are available on request)
- Off-white case and keycaps with black key legends
- The case and keycaps have a very fine texture that absorbs light and prevents reflection and glare, which many black keyboards suffer from
- Laser etched key legends for long life and durability
- Full height contoured keys for comfortable typing, the keys gradually slope up towards the back of the keyboard to offer excellent touch typing.
- Keycaps are finger tip shaped to allow for ease of use
- Standard keyboard size
- Full keyboard key layout with numeric keypad
- Membrane key technology
- Responsive tactile feedback keys
- Fold out feet to provide keyboard tilt
- Status LED's for Caps, Num & Scroll Lock)
